Account - “PayGo” Charge / Retirees

The Department of the Treasury will invoice the Public Corporations and Municipalities for a monthly charge to cover the benefits of their retirees. The Retirement Systems will determine and administer the amount of the payment per retiree that corresponds to each Public Corporation and Municipality. This amount is what will be known as the “PayGo Charge”. This serves to protect the payment of our retirees. It is essential for the Department of the Treasury to have the necessary cash resources to make said payments. It shall be the responsibility of these entities to send the “PayGo Charge”, in its entirety, to the Department of the Treasury to the following Banco Popular accounts [sic]:

1

| | |
|-----------|-------------------------|
| Entity: | [logo:] BANCO POPULAR ® |
| Routing # | • 021502011 |
| Account # | • 030076943 |

★ As the liquid funds of the Systems are depleted over the course of the 2017-18 fiscal year, it is expected that the “PayGo Charge” of each entity will increase. Likewise, as of July 1, 2017, the employer contributions, special law contributions, and the Uniform Additional Contribution (Law 32-2013) will be eliminated, with said amounts being substituted by the “PayGo Charge.”

★ In most cases, the restructuring fee of the employer contribution is going to be lower.

Account - Active Participants / Individual Contribution

Currently, a Reform of the Retirement Systems is being worked on, in which active participants will deposit their individual contributions into a New Defined Contribution Plan managed by a private entity. To preserve said contributions separately, from July 1, 2017 onward, the total individual contributions must be sent to the following account:

“PayGo” Charge

Requirements

The “PayGo Charge” will be invoiced monthly and its payment must be remitted on or before the fifteenth (15th) day of the month following the date of the invoice. The withholding for the individual contribution must also be remitted to the segregated account corresponding to the New Defined Contribution Plan. It is important to remit all other deductions from individual contributions.

ASR

Penalty

Moreover, it is established that if a Public Corporation, Municipality, or any entity with participants in the Retirement System fails to deliver the “PayGo Charge” funds or individual contributions that it has withheld from its employees participating in the corresponding System to its corresponding System within the thirty (30) days following the withholding, the Department of the Treasury shall withhold from any available remittance the unpaid amounts by the government agency that fails to comply with that established in this Circular Letter. In the case of the Municipalities, the Municipal Revenue and Income Center shall then be required to remit the owed amounts to the Department of the Treasury.

La Junta de Supervisión Fiscal para Puerto Rico designó al Gobierno de Puerto Rico y al Sistema de Retiro de los Empleados del Gobierno como “entidades cubiertas”, sujetas a supervisión fiscal a tenor con la legislación federal *Puerto Rico Oversight, Management, and Economic Stability Act*, mejor conocida como PROMESA.

Sistema “PayGo”
1 de julio de 2017

Los activos líquidos de los Sistemas de Retiro se agotarán durante los primeros meses del próximo año fiscal. A partir del 1 de julio de 2017, el Gobierno adoptará el sistema “PayGo”. Bajo este nuevo sistema, el Gobierno se hará responsable de pagar la deficiencia de los Sistemas para proveer los beneficios de los pensionados.

Cuenta - Cargo de “PayGo” / Pensionados

El Departamento de Hacienda facturará a las Corporaciones Públicas y Municipios un cargo mensual para cubrir los beneficios a sus pensionados. Los Sistemas de Retiro determinarán y administrarán la cantidad del pago por pensionado que le corresponderá sufragar a cada Corporación Pública y Municipio. Esta cantidad es lo que se conocerá como el “Cargo de PayGo”. Esto es con el propósito de proteger el pago a nuestros pensionados. Es imprescindible que el Departamento de Hacienda cuente con los recursos de efectivo necesarios para realizar dichos pagos. Será responsabilidad de estas entidades enviar el “Cargo de PayGo”, en su totalidad, al Departamento de Hacienda a la siguiente cuentas del Banco Popular:

1

Entidad: **BANCO POPULAR®**
Ruta • 021502011
Cuenta • 030076943

★ A medida que durante el año fiscal 2017-18, los fondos líquidos de los Sistemas se vayan agotando, se espera que el “Cargo PayGo” de cada entidad vaya en aumento. Asimismo, tras el 1 de julio de 2017, se eliminarán las aportaciones patronales, las aportaciones por concepto de leyes especiales y la Aportación Adicional Uniforme (Ley 32-2013), siendo sustituidas dichas partidas por el “Cargo de Pay Go”.

★ En la mayoría de los casos el cargo por restructuración de la aportación patronal va hacer menor.
